Also, please do not ride bikes, skateboards and scooters on the sidewalks. Sidewalks are for pedestrians and it can be very difficult to slow down in time to avoid hitting someone strolling on the same sidewalk where you are racing your bike or skateboard.

EXTERIOR/INTERIOR REPAIRS – ARCHITECTURAL APPLICATION APPROVAL

Please be reminded that the Association's CC&R's require all homeowners to submit an architectural approval application – and get written approval for that project – BEFORE making any change to their property. This includes interior projects, such as kitchen remodels.

You must also obtain written approval before having a satellite dish installed at your home. (Don't forget that you also need to have the dish removed when you sell your home.) Please contact the management company if you have any questions regarding your project, or if you need a form. The forms are also readily available on the Association's website.

Please remember that all personal items, such as garden statues, potted plants and seasonal flags or signs including security such as ADT, must be kept on your front porch. The walkways and garden areas adjacent to your front entry are common areas and no personal items are allowed there.
