

WANT TO SAVE \$\$ AND ENERGY?

Call to schedule an appointment for the new
Residential Energy Fitness Program
for your No-Cost Energy Assessment and
installation of No-Cost energy efficient upgrades!

WHAT TO EXPECT

1. APPOINTMENT

Schedule your no-cost in-home energy assessment at a time convenient for you.

2. ENERGY ASSESSMENT AND INSTALLATION OF ENERGY EFFICIENT UPGRADES

An energy advisor will provide an overview of the program, conduct an assessment, determine which energy efficiency upgrades you qualify for and install energy efficient upgrades in your home.

3. SEE YOUR RESULTS!

Receive a quarterly energy report outlining your energy usage and tips on how you can continue to save energy.

LEARN MORE
