Neighborhood Watch

The Association's Neighborhood Watch is in progress. The committee is looking for at least more volunteer to serve as a Block Captain, preferably one for each half of the community. Each Block Captain will be the liaison between ½ of the community and the Police Department. If you are interested in serving, please contact Rosie at HAS.

Safety Committee

A few reminders from the committee.....

- Have a fire extinguisher in your home
- Keep your porch and outside garage lights on
- Use LED bulbs
- Report exterior lighting issue to Management
- Call 911 for Emergency

The committee has a What's App group that provides information of happenings within the community. You can join by following the link: <https://chat.whatsapp.com/Ldk5NNgXznrDZngkZ0vUWM>.

Please be advised that this app is not a forum for any related maintenance, communication or HOA issues that require action. Information or content shared on this forum is not approved by the HOA or the Board.

Spa Users

Just a reminder to place the cover back on the spa when finish. This helps with keeping the heat in and minimizing leaf debris.

Tree Work

Arborwell is scheduled to trim a number of trees throughout the community from February 10th to the 12th, weather permitting. Please be cautious when moving about in the community.

Pet Owners

Please pick up your pet waste and dispose the bag in your trash bin; do not leave it lying in the grass for someone to step in. Also, for the safety to others and your pet, always please keep your dog on a leash. Residents are reminded not to leave pet food and water outside; this attracts unwanted pests including raccoons, skunks, etc.

Exterior Lighting

If you see any lights that are out, please contact Management to have it repaired. Also, residents should leave on their porch lights to help increase lighting within the community without the addition of adding light fixtures to the buildings. Although there is only a hand full of garages that have a side door to their garage, the light on the outside of this door should be left on to help increase lighting. Additional light
